Johannes Gutenberg University Mainz (JGU)  
Germany

## BENEFITS OF OUR SCHOLARSHIPS

- Valid for one year
- 830 € support per month
- No tuition fees
- Excellent research infrastructure

# DAAD-GÖBEL FOUNDATION SCHOLARSHIPS

## Master of Science in Physics

Johannes Gutenberg University Mainz (JGU)  
Germany

### Study and research

The Master of Science in Physics program at JGU is a two-year international graduate degree, completely taught in English. The first two semesters focus on deepening your knowledge of theoretical and experimental physics. The third and fourth semesters emphasize practical research experience and methods training for writing your final thesis.
