▶ Cl@ve system

- **Digital certificate** issued by a Certification Authority recognized by the UV Online Office. This platform supports recognized digital certificates according to the ITU-T X.509 v3 standard, issued by multiple certification service providers.
- **University user** If you are part of the university community (students, teaching and research staff, and administrative and service staff), you have a user account on the UV network. You can use the UV username/password to identify yourself.
- **Registered Online Office user.** Required if you can not log in by any of the above methods. Prior registration at the Online Office is required.
- **Cl@ve system:** this allows access through the authentication methods offered by the Cl@ve system.

Please, select the access method you would like to use to login to the Online Office.
