# SUSTAINABILITY IN UV LIBRARIES

ERASMUS WEEK MAY 2024

TRANSFORMING OUR WORLD:

THE 2030 AGENDA FOR  
SUSTAINABLE DEVELOPMENT

## 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT

**2030 Agenda and the Sustainable Development Goals (SDGs) were adopted at the United Nations in 2015.**

The 2030 Agenda underlines the **importance of library activities.**

**Special attention** is given to **education, employment and equality**, as well as **access to information.**

# LEAVING NO ONE BEHIND

LNOB is the **central, transformative promise of the 2030 Agenda** for Sustainable Development and its **Sustainable Development Goals (SDGs)**.

It represents the **commitment of all UN Member States to:**

- **eradicate poverty** in all its forms,
- **end discrimination and exclusion,**
- and **reduce the inequalities and vulnerabilities that leave people behind** and undermine the potential of individuals and of humanity as a whole.

# SDG PROJECT AT UV LIBRARIES

ODSSBD was created with staff from several libraries, we started during the pandemic, each of us chose **a working group from the UV** to participate:

## **Working Group 1: Health**

Improve cafeteria menus, vending machines and promote a green market

## **Working group 2: Plastic reduction**

## **Working group 3: Carbon footprint within UV**

## **Working group 4: Curricular sustainability**

Analysis of the impact of sustainability on syllabuses and academic guides

## **Working group 5: Proximity and fair trade**

## ACTIONS

Since 2020, the SBD working group has met regularly to study what actions can be implemented in the libraries...

# WE HAVE A PLAN

SDGs will be included in our next Director plan /strategic plan

The **SDGs plan for UV libraries** is “**under construction**”

The plan allows the SBD-UV to have a tool to consolidate its commitment to sustainability and increase the number of initiatives and their impact.

THE SDGS PLAN FOR LIBRARIES UV

### 3 DIMENSIONS OF THE PLAN

The SBD-UV as a **socially responsible entity**

Libraries as **agents of knowledge**

Libraries as **social actors committed to sustainability**

# SOME ACTIONS @ SCIENCES LIBRARY

Encouraging sustainable practices not only benefits the environment and the economy, but also promotes a cultural shift towards more conscious and environmentally friendly lifestyles.

- open/close study rooms according to occupancy to save energy
  - filtered water tap/fountain
  - reusable cups for coffee or water. Use of non-plastic water bottles.
  - LED lighting (progressive) in our offices and study spaces
  - Office supplies: recyclable or reusable.
- ... and much more

# A QUESTION FOR YOU

how your library supports the SDGs?

**THANK YOU**
