WELCOME TO OUR LIBRARY

The Libraries and Documentation Service brings together all the libraries and archives of the University of Valencia. It coordinates the functioning of the various services points that exist in the different campuses of the University.

11 libraries and 2 archives

One service

OUR MISSION

The University of Valencia Library is a resource center for **learning, teaching, research, and culture**. Our staff is composed of a team of professionals committed to the continual improvement of the services offered.

Our mission is to manage modern information resources as well as the University's historical patrimony, to facilitate access to and dissemination of these materials, and to collaborate in the generation and transfer of knowledge.
