
Welcome

Prof. Mirleida Santos Marcelo BSc, MSc.
Professor of Clinical Biochemistry.

Mailing Address

Unit of Computer-Aided Molecular “*Biosilico*” Discovery and Bioinformatic Research (**CAMD-BIR Unit**), Department of Pharmacy, Faculty of Chemistry-Pharmacy. [Central University of Las Villas](#), Santa Clara, 54830, Villa Clara, Cuba.

Contact Information

 Fax: 53-42-281130 (Cuba)

 Phone: 53-42-281164 (Cuba)

 e-mails: mirleida@uclv.edu.cu

QUALIFICATIONS

Bachelor of Science (B.Sc): Pharmaceutical Sciences, [Central University of Las Villas](#), Santa Clara, Villa Clara, Cuba, 7/1993.

Golden Award for Academy Results, 7/1993.

Master of Science (M.Sc): Clinical Pharmacy, [Havana University](#), Havana City, Cuba. 7/1998.

EXPERTISE AND CURRENT WORK INTERESTS

Teaching main interests: My current teaching interests include the clinical pharmacy services, clinical biochemistry and human molecular pathology.

Research main interests: My current research interests are in the area of drug discovery, specifically the prediction of pharmacokinetics properties. In this sense, I am interested in the bioavailability prediction and data absorption, distribution and elimination properties.
