

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Belén Monforte Gómez

Has participated with a poster communication entitled

**Improvement of Griess reaction for nitrite and nitrate
determination in water samples with PDMS membranes and
ZnNPs as reductor**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT
ID VALÈNCIA (ò*) **Facultat de Química**

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Birgit Felderer

Has participated with a poster communication entitled

**Quantification of THP-1 cells in medium measured in
FT-IR Transflection**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

UNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Jaume Béjar Grimalt

Has participated with a poster communication entitled

**Diagnosis of Prostate Cancer using IR spectroscopy and
Machine Learning**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Jose Luis Moreno Casillas

Has participated with a poster communication entitled

Miniaturized liquid chromatography of paracetamol

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Kevin U. Antela

Has participated with a poster communication entitled

Development of a colorimetric device by using Arduino

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA [ò*] Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Miguel Muñoz Bartual

Has participated with a poster communication entitled

LASER POINTER ACTIVATION FOR POLIMERIZATION OF PAPER-BASED DEVICES

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Patricia García

Has participated with a poster communication entitled

**Assessment of the inhalation uptake of MDMB-4en-PINACA
using a smoking simulation chamber**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Cristian Martínez Hernández

Has participated with a poster communication entitled

Anilato-based heterometallic networks showing ferrimagnetic ordering and proton transfer

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA [ò*] Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Murta Capella-Argente

Has participated with a poster communication entitled

**From ladder to dimer, the size matters and from paramagnetic
to single-ion magnets, lanthanoids make the difference**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Francisco López Moreno

Has participated with a poster communication entitled

**Organocatalytic Enantioselective Double Michael Addition of
Isoxazol-5-ones to Symmetric Dibenzalacetones**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

UNIVERSITAT DE VALÈNCIA  Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Francisco José Sierra Molero

Has participated with a poster communication entitled

Photo-Catalyzed Aerobic Oxidative Functionalization of 3,4-Dihydroquinoxalin-2-ones with Pyrazolones as Nucleophiles

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Joan Vicent Estornell Martínez

Has participated with a poster communication entitled

Oxidative functionalization of 1,2,4,5-tetrahydro-1,4-benzodiazepine-3-ones

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Jordi Torró

Has participated with a poster communication entitled

**Catalytic enantioselective addition of isoxazol-5-ones to
aurone-derived 1-azadienes**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Laura Carceller Ferrer

Has participated with a poster communication entitled

**Organocatalytic enantio- and diastereoselective cyclopropanation
of alkylidenepyrazolones with bromomalonates**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA [Ò*] Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Lidia Prieto

Has participated with a poster communication entitled

**Development of new anticancer agents: synthesis of
combretastatin A4 analogues**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

UNIVERSITAT DE VALÈNCIA  Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Marcos Escolano

Has participated with a poster communication entitled

**Novel organocatalytic protocol to access chiral fluorinated
indolizidines**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA [ò*] Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Pablo García Aznar

Has participated with a poster communication entitled

**Computational investigations on the reactivity of inverse
electron-demand Diels-Alder reactions of fused-norbornenes with
3,6-dipyridin-2-yl-1,2,4,5-tetrazine**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA [ò*] Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Víctor García García

Has participated with a poster communication entitled

**Organophotoredox 1,6-addition of dihydroquinoxalin-2-ones
to p-quinone methides using visible-light**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Alberto Llopis Lacruz

Has participated with a poster communication entitled

**Chiral Functionalization of Polymer-Based Nanoparticles for
Catalysis and Photocatalysis**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Jeanne Charollais

Has participated with a poster communication entitled

**Theoretical study of the optical properties of a peroxyxynitrite
generator activatable with red light**

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of
Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química

VNIVERSITAT DE VALÈNCIA (ò*) Facultat de Química

CERTIFICATE of POSTER COMMUNICATION

The organizing committee certifies that,

Cristina Pintado Zaldo

Has participated with a poster communication entitled

The impact of ethylene glycol versatility on magnetic properties and structure in anilato-based Single Ion Magnets

in the 2nd Workshop for Young Researchers in Chemistry in the Faculty of Chemistry of the University of València on May 19th – 20th 2022.

Dr. Begoña Milian Medina
Vicedegana de la Facultat de Química
